Mayor George asked if any Councilmember had any additional announcements. Hearing none, he moved to the next item on the agenda

IV. TENTATIVE AGENDA ADOPTION

Mayor George asked for a motion to adopt the agenda as presented and asked Council if they would consider moving Public Comment prior to the Approval of Resolutions.

Mayor Pro-Tem Carter made the motion, seconded by Councilmember Pruitt, to adopt the agenda as presented, and move Item VI: Public Comment prior to Item V: Approval of Resolutions.

VOTE:

Aye: Todd Carter, Virginia Roseman, Adrian Tait. Anne Pruitt, Anitra Ball

Nay: None

Absent: None

V. PUBLIC COMMENT

Mayor George opened the public comment period, and invited the first speaker to present.

Monica Caruso, Watauga County Public Library: Ms. Caruso thanked Council for the opportunity to speak and expressed appreciation for the \$1,300 in Outside Agency Funding approved for the Friends of the Watauga County Public Library. She explained that the funding will be used to purchase craft supplies for intergenerational programming. However, she noted that the approved amount falls \$3,700 short of the organization's original \$5,000 request, which will impact planned book purchases. Ms. Caruso discussed the library's ongoing efforts to maintain and expand its collection, including youth and adult materials. She highlighted that library staff repaired 656 books in 2025, helping to extend the life of existing resources. She also noted that 63% of library patrons have a Boone address, emphasizing the direct benefit the library provides to Town residents. She asked Council to consider increasing the allocation to the full \$5,000 request as budget discussions continue.

David Jackson, Boone Area Chamber of Commerce: Mr. Jackson thanked Council for their work and engagement throughout the budget process. He also expressed appreciation for the continued partnership between the Town and the Boone Area Chamber of Commerce, including the Chamber's membership support. Mr. Jackson shared concerns about the current business climate, and noted that some visitors continue to ask whether Boone is fully open following Hurricane Helene and that many local businesses remain nervous about the upcoming tourism season. He encouraged Council to remain mindful of the challenges facing the business community as budget decisions are finalized. Mr. Jackson noted that he was supportive of the proposed improvements to the parking infrastructure, and urged Council to remain transparent and communicative with Boone residents and business owners. He also suggested exploring new technological tools and

engagement methods that improve convenience and efficiency for residents and visitors, including the possibility of an annual parking pass for local residents. Mr. Jackson closed by explaining the Chamber's desire to remain a partner in parking and other discussions and encouraged support for state employee raises in the state budget, noting their positive impact on the local economy.

Emma Crider, Watauga Riverkeeper: Ms. Crider thanked Council for their continued dedication to the budget processes, acknowledging the significant amount of work involved. She also expressed appreciation for Council's support of the Roadless Rule resolution, stating that protecting shared natural spaces and public lands is important to the community.

Marena Greer, Southern Appalachian Historical Association (SAHA): Ms. Greer thanked Council for their ongoing support of SAHA and Horn in the West. She expressed excitement about implementing an educational program scheduled for September and discussed recent improvements made to the Horn in the West facilities. Ms. Greer noted that the outdoor drama's opening night is scheduled for June 26 and thanked Town staff, including Mr. Moody and the Public Works Department, for replacing gravel backstage for the performers. She personally invited Council members to attend opening night and expressed appreciation for the Town's continued support.

Austin Myers, Art of Living Retreat Center: Ms. Myers invited all Councilmembers and the Boone community to participate in International Yoga Day on June 20. She shared information about the day's activities and discussed the physical and mental health benefits associated with yoga practice.

Andy Hill, Watauga Riverkeeper: Mr. Hill thanked Council for the opportunity to speak and spoke in support of the Roadless Rule. He noted that neighboring communities, including Buncombe County and the Town of Sylva, have also voiced support for the rule, which protects designated wilderness areas. Mr. Hill also commented on the Town's budget, praising the quality of Town staff and expressing support for continued investments in initiatives such as AppalCART, sustainability programs, and library services.

Mayor George asked if anyone attending the meeting virtually would like to provide public comment. Councilmember Roseman apologized for attending the meeting virtually. Hearing no further comments, Mayor George closed public comment and moved to the next item on the agenda.

VI. APPROVAL OF RESOLUTIONS

1. FEDERAL ROADLESS AREA CONSERVATION RULE

Mayor George provided a brief overview regarding the presented resolution, noting the impact repealing this rule would have on the drinking water watershed Boone residents appreciate. He asked Council if they had any comments regarding this resolution. Hearing none, Mayor George asked for a motion to approve the resolution as presented.

Councilmember Tait, seconded by Councilmember Pruitt, made the motion to approve the Federal Roadless Area Conservation Rule resolution as presented.

VOTE:

Aye: Todd Carter, Virginia Roseman, Adrian Tait. Anne Pruitt, Anitra Ball
Nay: None
Absent: None

VII. PUBLIC HEARING – FY 2026/2027 BUDGET

Mayor George asked Mr. Presnell to present the item. Mr. Presnell noted that later in the agenda he would be requesting Council consideration of increasing the Town's contribution to Digital Watauga, a project of the Watauga County Historical Society, to \$24,000 for the current fiscal year. While Council had previously provided consensus on the matter, he explained that a formal motion and vote would be required for approval. He then asked Attorney Meade to provide additional information. Attorney Meade explained that providing funds to Watauga County Historical Society was permissible under North Carolina General Statutes. However, she noted that the contribution should be accompanied by an ordinance specifying the intended use of the funds. Mr. Presnell responded that the funding would be included within the budget ordinance. Attorney Meade asked whether the budget document would contain details regarding the specific use of the contribution. Mr. Miller explained that the funding was currently listed as a standard budget line item. Mayor George then asked Attorney Meade whether a separate ordinance outlining the intended use of the funds would be necessary. Attorney Meade replied that adopting a specific ordinance for that purpose would be the preferred approach. Mr. Presnell then provided an overview of the proposed budget. He explained that the budget included a proposed four-cent increase in the property tax rate, resulting in a total tax rate of \$0.44 per \$100 of assessed valuation. He noted that the budget also included a 3% cost-of-living adjustment for all Town employees, as well as funding for several additional staff positions. Mr. Presnell further explained that funding had been allocated for upgrades to the Town's parking infrastructure. He also noted that the parking citation fee had been listed as \$40 per violation rather than the previously discussed \$50 amount. Mayor George commented that this year's budget process had been unique. He explained that the initial proposal included a 5.5-cent property tax increase, but through extensive discussions and collaboration between Council and Town staff, the proposed increase had been reduced to four cents. Mayor George stated that the budget included funding for the construction of a new Public Works Facility, a project he described as long overdue, as well as funding for Fire Station #4. He also noted that both the AppalCART contribution and the Sustainability budget line item had increased in order to support the Town's established goals and priorities. Mayor Pro-Tem Carter agreed with Mayor George's remarks and stated that Council had conducted a thorough, line-by-line review of the proposed budget. He explained that Council had also agreed to establish a capital improvement funding source for Fire Station #1 and the Police Department facility to help ensure that deferred maintenance would not accumulate to the extent experienced at the current Public Works building. Mayor Pro-Tem Carter thanked Town staff, Council members, and all those involved for their work on the budget process. Councilmember Tait expressed appreciation for the budget's emphasis on infrastructure improvements. He noted that observing the impact of escalating construction and operational costs on a municipal budget had been eye-opening and underscored the importance of long-term planning. Mayor George asked if any other Council members wished to offer comments. Hearing none, he closed the public hearing. He then asked Mr. Presnell whether a vote was needed to adopt the budget at that time. Mr. Presnell responded that he would prefer for the formal vote to occur during the Council's next meeting.

VIII. APPROVAL OF ITEMS ON CONSENT AGENDA

Mayor George asked if any Councilmembers had any questions regarding the consent agenda. Hearing none, Mayor George asked for a motion to approve the consent agenda as presented.

Councilmember Pruitt, seconded by Mayor Pro-Tem Carter, made the motion to approve the items on the consent agenda as presented.

VOTE:

Aye: Todd Carter, Virginia Roseman, Adrian Tait, Anne Pruitt, Anitra Ball
Nay: None
Absent: None

The following items were approved:

1. Approval of Agreement- Town of Boone and Downtown Boone Development Association
2. Approval of Contract with Artisan Concrete Services, Inc. for Boone Greenway Skate Park Phase 2
3. Consideration and Approval of Water and Sanitary Sewer Capital Improvements
4. Approval of Budget Amendments
5. Approval of Minutes
 - a) May 13, 2026, Regular Town Council Meeting
 - b) May 15, 2026, Special Town Council Meeting
 - c) May 20, 2026, Special Town Council Meeting
 - d) May 27, 2026, Regular Town Council Meeting

Mayor George noted that he had received many comments regarding funding for the Boone Greenway Skatepark, and was excited that the work was taking place.

IX. PLANNING MATTERS

1. CONSIDERATION OF GOOD NEIGHBOR STORY BADGE

Mr. Wise presented the proposed story badge for the Good Neighbor Program and explained that additional materials associated with the program would be presented to the Council at its final meeting in June. He requested approval of the story badge so that the Planning and Inspections Department could begin incorporating it into Good Neighbor Program informational materials. Mayor Pro-Tem Carter expressed support for the proposed story badge. Councilmember Tait asked whether the Good Neighbor Program was part of a nationwide initiative. Mr. Wise explained that while the Planning and Inspections Department had drawn inspiration from similar programs in other communities, Boone's Good Neighbor Program would be unique to the Town. Mr. Wise further explained that information about the Good Neighbor Program would be distributed to all new homeowners within the Town of Boone. He also noted that the story badge would be displayed on the Planning and Inspections Department's Chevy Bolt, which is utilized by the Town's Code Enforcement team. Mr. Wise stated that certain aspects of the Good Neighbor Program would support code enforcement efforts. He added that using a story badge rather than the official Town logo would make residents more receptive to learning about the program and engaging with its messaging. Mayor Pro-Tem Carter agreed with Mr. Wise's assessment.

Councilmember Tait, seconded by Councilmember Pruitt, made the motion to approve the Good Neighbor story badge as presented.

X. COUNCIL MATTERS

1. DISCUSSION OF BOLICK FARM PROPERTY

Mr. Presnell informed the Council that Blue Ridge Energy had reaffirmed its offer of \$4.75 million for the purchase of the Bolick Farm Property. He noted that another firm had recently expressed interest in acquiring the property; however, that firm was still in the process of securing the necessary capital and was not yet prepared to submit a formal offer. Councilmember Roseman asked whether Blue Ridge Energy's proposal included assistance with funding a fire truck through one of the company's grant programs. Mr. Presnell clarified that the \$4.75 million purchase offer did not include funding for a fire truck or any additional contributions beyond the purchase price. Councilmember Tait requested additional background information regarding the Bolick Farm Property. Mayor George provided a brief overview of the Town of Boone's history with the property, including its acquisition, the original intended purpose for the land, and the

circumstances that led the Town to pursue its sale. Mayor George explained that the Town had originally purchased the property for approximately \$5 million. Since that time, the Town had successfully placed approximately 30 acres under a conservation easement, preserving the land for public recreational use. He also noted that the property had provided an opportunity to secure a location for the future construction of Fire Station #4. Mayor George stated that, in his view, Blue Ridge Energy had consistently demonstrated itself to be a strong community partner. He added that selling the property to Blue Ridge Energy could provide the Town with opportunities for future collaboration and would likely result in fewer concerns regarding development impacts than if the property were acquired by a large commercial retailer. Councilmember Pruitt stated that she had not previously realized how close the property was to the landfill. Given that proximity, she explained that she now understood why the site was not a viable location for affordable housing development. Mayor Pro-Tem Carter agreed with Councilmember Pruitt's assessment. He noted that the property's proximity to the landfill, combined with the presence of a significant floodplain, would make it extremely difficult to secure Low-Income Housing Tax Credit (LIHTC) funding for an affordable housing project on the site. Attorney Meade reminded Council that if the offer were accepted, the sale would be subject to the statutory upset bid process. She explained that the upset bid period would remain open for a minimum of ten days, during which additional bids could be submitted. A brief discussion followed regarding the upset bid process and other fees or costs that Council should consider as part of the transaction.

Mayor George then asked if Councilmembers had any additional comments or questions regarding the proposed sale. Hearing none, he called for a vote.

Mayor Pro-Tem Carter, seconded by Councilmember Pruitt, made a motion to accept Blue Ridge Energy's offer of \$4.75 million for the purchase of the Bolick Property, with the proceeds to be used to help fund the construction of the new Public Works Facility, and to authorize the initiation of the upset bid process.

VOTE:

Aye: Todd Carter, Virginia Roseman, Adrian Tait. Anne Pruitt, Anitra Ball
Nay: None
Absent: None

2. **DISCUSSION REGARDING ADDITIONAL ALLOCATION OF FUNDS TO DIGITAL WATAUGA**
Mayor George noted that this matter had already been discussed.

3. **APPOINTMENT TO THE ABC BOARD**

Mayor George explained that there had been one application from Mr. James Milner for the open position on the ABC Board.

Mayor Pro-Tem Carter nominated James Milner to serve on the ABC Board. Councilmember Pruitt seconded the nomination. Hearing no further nominations, Mayor George called for a vote.

VOTE:

Aye: Todd Carter, Virginia Roseman, Adrian Tait. Anne Pruitt, Anitra Ball
Nay: None
Absent: None

4. **APPOINTMENT TO THE BOARD OF ADJUSTMENT**

Mayor Pro-Tem Carter nominated Mr. David Welsh for reappointment to the Board of Adjustment to the regular position, and nominated Mr. Owen Larsen to fill the currently vacant regular

position on the Board of Adjustment. Councilmember Pruitt seconded the nomination. Hearing no further nominations, Mayor George called for a vote.

VOTE:

Aye: Todd Carter, Virginia Roseman, Adrian Tait. Anne Pruitt, Anitra Ball
Nay: None
Absent: None

5. APPOINTMENT TO THE HISTORIC PRESERVATION COMMISSION

Mr. Wise clarified that while the applicant, Mr. Bennie Gaetano, was a student, he was applying to the non-student seat. Mr. Wise noted that Mr. Gaetano had been contacted regarding this, and that he was also willing to serve in the open student position. Councilmember Pruitt nominated Mr. Gaetano to fill the vacant regular seat on the Historic Preservation Commission. Councilmember Tait seconded the nomination. Hearing no further nominations, Mayor George called for a vote.

VOTE:

Aye: Todd Carter, Virginia Roseman, Adrian Tait. Anne Pruitt, Anitra Ball
Nay: None
Absent: None

6. APPOINTMENT TO THE PLANNING COMMISSION

Councilmember Tait nominated Mr. Garrett Kight for reappointment to the Planning Commission. Councilmember Pruitt seconded the nomination. Hearing no further nominations, Mayor George called for a vote.

VOTE:

Aye: Todd Carter, Virginia Roseman, Adrian Tait. Anne Pruitt, Anitra Ball
Nay: None
Absent: None

7. APPOINTMENT TO THE ABC SUSTAINABILITY COMMITTEE

Mayor George noted that both applicants were currently serving on the Sustainability Committee, and explained that both applicants would be good for reappointment. Councilmember Pruitt asked Mayor George if Mr. RyLee Wadman was a student, and Mayor George said that he was. Councilmember Pruitt noted that Mr. Wadman had indicated on his application that he would be graduating this year, and Mr. Santucci clarified that Mr. Wadman would be graduating in the Spring 2027. Mayor George asked Mr. Santucci to work with Mr. Wadman to update his address to his current Boone address and Mr. Santucci confirmed that he would. Mayor Pro-Tem Carter nominated Mr. Ryan Robinson for reappointment to the Sustainability Committee and nominated Mr. RyLee Wadman for reappointment to the Sustainability Committee's student position. Hearing no further nominations, Mayor George called for a vote.

VOTE:

Aye: Todd Carter, Virginia Roseman, Adrian Tait. Anne Pruitt, Anitra Ball
Nay: None
Absent: None

8. REQUEST TO UPDATE TOURISM DEVELOPMENT AUTHORITY TERMS

Mayor Pro-Tem Carter noted that there were two open Tourism Development Authority (TDA) positions that will need to be filled at the next Boone Town Council meeting as the TDA would need to elect a chair. Mayor Pro-Tem Carter then requested Council to update the expiration date

of Mr. Brian Crutchfield, Mr. Brian Williams, Ms. Lynn Mason, and Ms. Elisha Brown to June 30th, 2027 to ensure that the expiration terms follow other boards in Boone. Mayor George noted that he was in favor. He noted that in Currituck County, a lawsuit was just won where TDA funds could be appropriated for public safety use, and explained that while he would need to discuss this more with Attorney Meade, he felt that that would open the door for Boone's utilization of TDA funds.

Mayor Pro-Tem Carter, seconded by Councilmember Pruitt, made a motion to adjust the expiration dates for Mr. Brian Crutchfield, Mr. Brian Williams, Ms. Lynn Mason, and Ms. Elisha Brown's terms to June 30th, 2027.

VOTE:

Aye: Todd Carter, Virginia Roseman, Adrian Tait. Anne Pruitt, Anitra Ball

Mayor George called for a break at 9:56 a.m..

XI. MAYOR REPORT

Mayor George resumed the meeting at 10:05 a.m..

Mayor George provided a brief report regarding his meetings with the High Country Council of Governments, and noted that a member of the Governor's office had attended the latest meeting to provide additional information about the executive order regarding housing affordability. He noted that at the High Country Rural Transportation Planning Organization meeting, it discussed that a new traffic light would be installed at the old high school property. Mayor George closed his report by noting that the ABC Board had finalized their budget this month.

XII. TOWN MANAGER REPORT

Dale asked Chief Duckworth to provide an update regarding the Boone Police Department's use of Flock Safety cameras. Chief Duckworth reported that all items outlined in the resolution had been completed, including adding the Flock Safety transparency portal to the Boone Police's website. He noted that they were in the process of adding the transparency portal to the Boone Police mobile app. He stated that access had been removed for all agencies outside North Carolina. He also confirmed that Boone Police Department data is not shared without authorization. Chief Duckworth explained that the Boone Police Department had formalized its audit process for Flock usage. Administrators are required to obtain additional certifications, and quarterly audits are conducted to review system activity and ensure compliance with departmental policies. Councilmember Pruitt asked what information the cameras capture. Chief Duckworth explained that the cameras photograph vehicle license plates and identifying vehicle characteristics, but do not utilize facial recognition technology. Councilmember Roseman asked about data-sharing practices with neighboring jurisdictions across state lines. Chief Duckworth reiterated that agencies outside North Carolina no longer have access to the data, and noted that neighboring counties could request data from the Boone Police Department. Councilmember Pruitt thanked Chief Duckworth for his work implementing the changes. Mr. Presnell provided an update from the Human Resources Department, and explained that there were currently four open positions. Mr. Presnell then updated Council regarding the report submitted by the Cultural Resources Department. He noted that a pollinator garden had been installed at the North Street Park in collaboration with the North Carolina Wildlife Federation. A new roof had been installed on the Jones House, summer concerts at the Jones House had begun, Boonerang Music & Arts Festival would be taking place June 19th through 21st, and that the July 4th parade and fireworks would be taking place on July 4th.

XIII. TOWN ATTORNEY REPORT

Attorney Meade began by reminding Councilmembers of their ethical obligations, noting that the discussion was intended both as a refresher for current members and an introduction for newly elected Councilmembers. Attorney Meade explained that, after discussing the International Day of Yoga event with Ms. Myers, she learned that admission to the event was not generally free to the public. As a result, Councilmembers should not accept complimentary admission if it was offered because of their position as elected officials. She noted that Councilmembers should review the Town of Boone's code and explained that, as a general rule, Councilmembers should not accept gifts, services, or other benefits offered to them because of their official position. Mayor Pro-Tem Carter asked whether a Councilmember could attend an event free of charge if invited as a friend or family member. Attorney Meade explained that if the invitation would have been extended regardless of the individual's position on the Council, attendance would be permissible. Mayor George noted that these topics would be discussed in greater detail during the Council's required ethics training. Attorney Meade further explained that, unless expressly authorized by Council through formal action, no individual Councilmember has the authority to speak on behalf of the entire Council. Turning to public records requirements, Attorney Meade explained that records created or received by Councilmembers in connection with the transaction of public business may be considered public records under North Carolina law. She advised Councilmembers to assume that communications related to Town business could become public records and noted that Councilmembers should be mindful of public records retention requirements when communicating with one another. Mayor Pro-Tem Carter asked whether Councilmembers could introduce bands during Boonerang and welcome visitors to Boone on behalf of the Boone Town Council. Attorney Meade explained that such participation would be appropriate because it would not involve expressing a policy position or taking official action on behalf of the Council. Attorney Meade reminded Councilmembers that they should contact her with any questions regarding ethics, public records, or potential conflicts of interest. Mayor Pro-Tem Carter noted that Councilmembers generally have a legal duty to vote on matters before the Council. He explained that Councilmembers may only be excused from voting in circumstances permitted by law and with the approval of the Council. He emphasized the importance of fulfilling that duty as an elected official. Attorney Meade reiterated that Councilmembers should consult with her regarding any potential conflicts of interest or questions about recusal.

XIV. BOARD LIAISON REPORT

The following Board Liaison reports were presented:

- Councilmember Pruitt noted that she was unable to attend the Downtown Boone Development Association meeting and asked Mayor George to report. Mayor George explained that there was support for parking improvements in Downtown Boone from the board. He went on to say that a discussion about a social district in Downtown Boone was held, and that the plan was to test a social district on Howard Street on Fridays and weekends once construction was complete.
- Mayor Pro-Tem Carter noted that AppalCART had passed their annual budget and that they were grateful for the additional support from the Boone Town Council. He noted that two additional double decker busses were budgeted as well. He then provided an update regarding the Human Relations Commission, and explained that the Boone Pride Parade and Event was set to take place at the end of the month. He noted that members of the Human Relations Commission would be marching in the Boone Pride Parade.
- Councilmember Tait noted that he had attended Vision Northwest North Carolina, and explained that the focus of the conference was transportation.
- Councilmember Roseman noted that the Human Relations Commission had put together a schedule for events throughout the next calendar year, and that she was working on a Sexual Assault Awareness event in October. She went on to say that SAHA had held an Appalachian Storytelling Summit on May 27th and that it was well attended. She closed by reminding Councilmembers that Boonerang Music & Arts Festival would be taking place June 19th through 21st.
- Councilmember Ball had not yet received committee assignments, so she did not provide a report.

XV. CLOSED SESSION

Mayor George asked for a motion to enter into closed session, pursuant to the N.C. Gen. Stat. § 143-318.11(a)(1), N.C. Gen. Stat. § 143-318.11(a)(3), and N.C. Gen. Stat. § 143-318.11(a)(6).

Councilmember Pruitt, seconded by Mayor Pro-Tem Carter, made a motion to enter into closed session pursuant to N.C. Gen. Stat. § 143-318.11(a)(1), N.C. Gen. Stat. § 143-318.11(a)(3), and N.C. Gen. Stat. § 143-318.11(a)(6).

VOTE:

Aye: Todd Carter, Virginia Roseman, Adrian Tait, Anne Pruitt, Anitra Ball

Nay: None
